

# EDUCATION

## OPPORTUNITY SCHOLARSHIPS

*69 percent of parents with school-aged children are supportive of opportunity scholarships.*

*In 2013-2014, more than 308,000 students participated in private school choice programs across the country.*

## COURSE ACCESS

*Course Access is a technology-driven education reform approach that allows K-12 students to access quality courses regardless of location.*

*To date, 12 states have passed a Course Access (or similar) program.*
